**House Speaker Steve Crisafulli Issues the Following Statement Regarding
the Special Session on Congressional Redistricting**

House Speaker Steve Crisafulli (R- Merritt Island) today issued the following statement regarding the Special Session on Congressional Redistricting.

“Today, I have informed our members that we will be returning to Tallahassee from August 10 – August 21 for a special session on Congressional Redistricting. I look forward to working with our Senate partners to comply with the recent Supreme Court ruling. I have appointed Rep. Jose Oliva to chair the House Committee on Redistricting and I believe that he will thoughtfully lead the House’s efforts in this matter.”
